

**Next Wednesday the Council are going to vote on whether to change the Mid Yell Junior High School to only go up to S2.**

**This means:**

- Yell bairns will have to go to Lerwick at 14 and stay away from home.
- Yell bairns will not be able to get any qualifications in Yell
- S1 & S2 could be taught in one class by primary teachers.

**The Mid Yell Parent Council feel that this will impact our community as a whole by:**

- Depopulating the Island
- Impacting on local businesses
- Impacting on family life
- Impacting on community events

We feel it is important to express our views and concerns to all Shetland councillors. Councillors can be contacted by emailing [members@shetland.gov.uk](mailto:members@shetland.gov.uk), please make sure you play your part in making the "Voice of Yell" heard.

**Please show your support for our community by attending the public meeting whether you have bairns or not, as it affects us all.**
