

Annual Review and Shetland Public Engagement Network meetings

Monday 21st January 2019

Annual Review Meeting

We would like to invite you to come along to a public meeting to hear about NHS Shetland's performance in 2017/18 and the key challenges we face moving forwards. This meeting is part of our annual review arrangements and as such is an opportunity for us to be publicly held to account for the way in which we deliver our services and for how public funding is prioritised locally. The meeting will be hosted by our Chair, Gary Robinson, and Chief Executive Ralph Roberts, and will be attended by the Scottish Government's Minister for Mental Health, Clare Haughey.

The Annual Review Meeting will be held on Monday 21st January at 2pm in the Board Headquarters, Montfield, Burgh Road.

There will be a brief overview of how we have been doing, and then an opportunity to ask questions both to NHS Shetland's Executive Management Team and to the Minister. It will not be possible to answer questions about individual patient-specific issues in the public session, however any questions not answered on the day will receive a written response.

Shetland Public Engagement Network

Shortly after the annual review meeting there will be a brief meeting of the Shetland Public Engagement Network – a group that exists to allow the public to have a greater say on the health and care services provided by NHS Shetland and the Integration Joint Board. If you are interested in finding out more about this group prior to the meeting, please see the Facebook page: <https://www.facebook.com/ShetlandPEN>.

Chair Sue Beer and colleagues would be very pleased to welcome new members to this forum.

If you would like to attend either or both meetings please contact Carolyn Hand, Corporate Services Manager on (01595) 743064. If you have any additional support requirements, please let us know.
