

Proposal of Application Notice

Town & Country Planning (Scotland) Act 1997

The Town and Country Planning (Development Management Procedure (Scotland)) Regulations 2008

Public Exhibitions to be held in respect of Tagdale 80MW Green Ammonia Facility

Construction, commissioning and operation of a new up to 80MW Green Ammonia Facility with associated access, landscaping and ancillary works located at Tagdale, approximately 3.5km to the north-west of Lerwick.

A proposal of application notice (PAN) has been submitted to Shetland Islands Council. The following public events are to be held:

Wednesday 19 November 2025, 10am to 4pm in the Baila Room at the Sound Public Hall, Lerwick, ZE1 0LY

Thursday 20 November 2025, 1.30pm to 7pm at Tingwall Community Hall, The Strand, Gott, ZE2 9SE

Interested parties are invited to participate in these events. Comments and queries can be posted for a further 3 weeks, to 12th December 2025.

Comments on the presentation and information on the website (www.tagdale.co.uk) are also encouraged and can be made throughout the consultation period.

Comments **should not** be submitted to the Council at this time as they will not be taken into consideration. Statements made to the prospective applicant and their representatives are not representations to the Council. If a planning application is subsequently submitted, then there will be an opportunity to make a direct representation to the Council at that time.

Further information, queries and comments can be requested by contacting: Project Hotline: 0800 772 0668. Email: ukprojects@statkraft.com or write to: Freepost Statkraft (no stamp required)
